How May Youth and Adults Participate?

All interested youth who will enter the 9th, 10th, 11th or 12th grade in the fall of 2017 plus 2017 graduates are to attend one of the auditions listed below.

Youth need to come prepared to sing a song, bring a copy of the music for the directors to follow, do some simple vocal exercises, and sight-read a hymn. Each singer needs to bring his/her own accompanist or accompaniment track. However, youth may not sing along with commercial recordings of other singers.

Current and former tour directors will listen to each youth's audition. Remember that this is a ministry and anyone may try out. When you come, relax and have fun.

Those who are interested in working with the sound equipment need to come and talk with our directors and staff.

In addition, each applicant will complete some forms, be measured for tour clothing, and have a brief talk with some staff. Please allow approximately one hour for your complete audition process.

Adults are needed to help in camp and/or as touring staff. Staff for Youth Musicale needs to have a love for Christ, and a heart for ministry with youth. Responsibilities will be given according to your skills.

For more information contact Jeff Trump at 2480 41st St. NE, Canton, Ohio 44705, or by phone 330-456-2153 or by e-mail at youthmusicale@juno.com.
